ILEA Announces New Executive Director

The International League of Electrical Associations is proud to welcome Kirstie Steves as our new Executive Director! Kirstie has been the Executive Director for the Electrical Association of Rochester since 2005. At that time, she also became actively involved with ILEA. This past July, Kirstie was voted ILEA Secretary/Treasurer at the Toronto Conference, bringing over twelve years of association work along with her. I know you will find Kirstie as interesting, competent, and pleasant to work with as I have. She is a people-oriented person and finds instilling that energy and enthusiasm for the members a keystone piece of her management style. Please join me in welcoming her as the next Executive Director to ILEA. It is great to have her on board!

ILEA's new contact information:

PO Box 20219
