ILEA Annual Conference San Francisco, California July 23-26, 2008 Conference Overview

The 2008 ILEA Annual Conference will be held in San Francisco, CA this year. Following is some general information about the conference:

- The conference will be held July 23-26 at the Holiday Inn Golden Gateway Hotel. The room rate is \$159 per night. Most of the hotel rooms look out at the Golden Gate Bridge and San Francisco Bay. If you would like, you can call 415-441-4000 to make reservations. Refer to the group rate for the International League of Electrical Associations meeting.
- The fees for the conference are \$550 for ILEA members and \$650 for non-members. Spouse/companion fees are \$285 and \$350 respectively.
- The conference officially kicks off with a Meet and Greet Reception on July 23rd. As in the past few years, you will have Friday afternoon free to explore this great city. During Thursday's lunch, a Visitor's Bureau speaker will give you some suggestions on what to see and do during your stay.
- There is a cable car stop right by the hotel. Each attendee will be provided a three-day pass for the cable car lines, city bus lines, and trolley car lines. Public transportation in San Francisco is definitely the way to go. Unless you are planning a trip outside of the city, there is no need to rent a car. Parking can be a problem and all the modes of public transportation can take you to just about anywhere you want to go. The cable car right outside the hotel takes you straight down California Street to Nob Hill, the financial district, the Embarcadero, and the central part of downtown. A change of cable cars by the famous Mark Hopkins Hotel takes you to Fisherman's Wharf.
- The California Society of Association Executives is assisting us in securing two speakers for our conference. See Conference Schedule for details.
- Those choosing to participate in Wednesday's Golf Outing will enjoy the Presidio Golf Club. It's just two miles from the hotel and many of the holes have a magnificent view of the Bay and the Golden Gate Bridge.

The Board of Governors has made every effort to make the San Francisco Conference a great opportunity for your association.

Please make plans to join us in the City by the Bay!
