San Francisco Conference July 23-26, 2008

What a great conference!

Sixteen representatives from eleven associations/leagues attended this year's conference. Those attending got to catch up with old friends and meet some new ones. They shared valuable information and brought home ideas on Membership, Education, Non-Dues Revenue, Scholarship Programs, Trade Shows, Communications and Marketing, Technology Tools and Website Design.

It wasn't "all work and no play" for the representatives and their families though. They also got the opportunity to participate in the golf outing, dine out in the city, visit famous attractions in the "City by the Bay", and even attend a major league baseball game.
