

Registration Deadline... June 30th!

**2009 Annual ILEA Conference in Baltimore, MD
July 22nd - 24th**

Registration Form at www.ileaweb.org and click on Conference Schedule Packet

Highlights of the Conference to Include...

Association Policies & Procedures

Can your association exist without you? Documenting board decisions to ensure the continuity of the association.

Board Orientation

How do you educate new and existing board members? Bring a sample of your documents or notebook.

Event Liabilities - Guest Speaker

Have you ever considered all of the possible liability exposures you have at your golf outings, trade shows, etc? A couple of our members have had incidents this past year that has brought this issue into sharp focus. We will have a guest speaker who will give us ideas on procedures to protect us and our board members. Bring your questions.

“Association Technology Update” - Reggie Henry, ASAE Tech Director

Reggie Henry handles the technology for ASAE. In his position he must stay on the cutting edge of technology as it applies to associations. He will talk about a variety of applications as well as give us a glimpse of what is coming. Are you ready for “Cloud Computing”?

Retaining & Expanding Membership in the Current Economic Climate

How can we keep current members and get new ones? Learn about a new “Sustaining Member” program that you might use to generate more revenue for your association.

The Future of Trade Shows

Are trade shows a thing of the past? Learn what other associations are doing to modify or replace trade shows with other programs.

Challenges in the Next Year

What are your concerns for your association in the short term and the long term? Learn how this period in time can be an opportunity for growth.

**Help us share your association events.
Simply add info@ileaweb.org to your distribution list or mail to the
address below... thanks!**
